

RAY ONE Viscose Filament Yarn is brought to you by the Aditya Birla Group, a premium conglomerate with revenues today that are in excess of US\$ 28 billion.

RAY ONE is a product of 'Aditya Birla Nuvo', a company with diverse businesses and a turnover of Rs. 41.37 billion. It has, since then, continually been improved, updated and succeeded to meet global quality standards.

Today **RAY ONE** has carved a niche for itself with its wide range in 400 vibrant colour standard shade card along with the flexibility to reproduce any shade as desired by our valuable customers. It more than lives up to its promise- 'Quality the world prefers'.

RAY ONE is 100% bio-degradable and eco-friendly and comes with a unique quality of comfort. Add to this its ability to drape superbly and what you have is a revolutionary yarn that even fashion pundits would swear by. The manufacturing facility located at Veraval, Gujarat has a capacity for producing up to 17000 tons per annum of high quality Viscose Filament Yarn

(VFY). VFY is spun by conventional "Pot Spun Yarn (PSY)" process and the modern high-tech "Continuous Spinning process".

In fact, Indian Rayon has been awarded SRTEPC Export Award 8 times since 1993. The **RAY ONE** plant is the first in India to be accredited with ISO 9001 ; ISO - 14001 (Environment), OHSAS-18001 (Health & Safety), OEKO TEX STANDARD 100 Certificate and RC 14001 : 2005 (Responsible Care – First in India to receive the certificate).

RAY ONE has also been the first to introduce the "high modulus" yarns, Dull yarns and special yarns for velvet in india. That's not all, **RAY ONE** has also introduced Engineered yarns (like loop yarn, special Fur yarn) for sarees and dress materials, along with Micro, Silky silk and Flat yarns.

With our years of experience we bring to you the very best quality products at highly competitive prices. **RAY ONE** offers designers a wide array of yarns to choose from.

It feels like cotton.

It drapes like wool.

It sheaths and clings like satin.

It has the luster and feel of silk,

Fashion pundits swear by it.

It is the soul of haute couture.

It is a viscose filament yarn,

Like no other in the world.

It is RAY ONE.
